

I hope you and your families are staying healthy, safe and protected during these trying times. With so much COVID-19 information available, our team at The Hartford wants to help you find what you're looking for:

- 1. Employee Benefit Resource Center:** For questions on continuation of coverage for furloughs, reduced employee hours, grace periods for billing, and quarantined employees, please visit our [Employee Benefits Resource Center](#).
- 2. In-force Rates:** For small business cases renewing between 5/1/2020 and 8/1/2020, The Hartford will continue in-force rates for one year for all employer-paid and employee-paid Group Benefits.
- 3. Conversion/Portability:** In the event the employer has terminated employees, they may be able to keep the coverage in force. The employer can find information and forms on Employer View which is available to them on-line 24/7. As a Producer, you have access to the same information and forms via [Producer View](#).
- 4. Small Business Owner Resources:** We understand that this is a very uncertain time for many small business owners. Visit The Hartford's [Small Biz Ahead](#) blog to stay up to date on the latest information and COVID-19 resources for small business owners.

As always, we are committed to helping you as best we can. If the employer needs to file a claim, our specialists are here to help. Claims Specialists can be reached by calling 877-778-1383 and selecting "Option 1" when prompted.

I understand this is a difficult time and I am here to help. Please do not hesitate to contact me with any additional questions.
